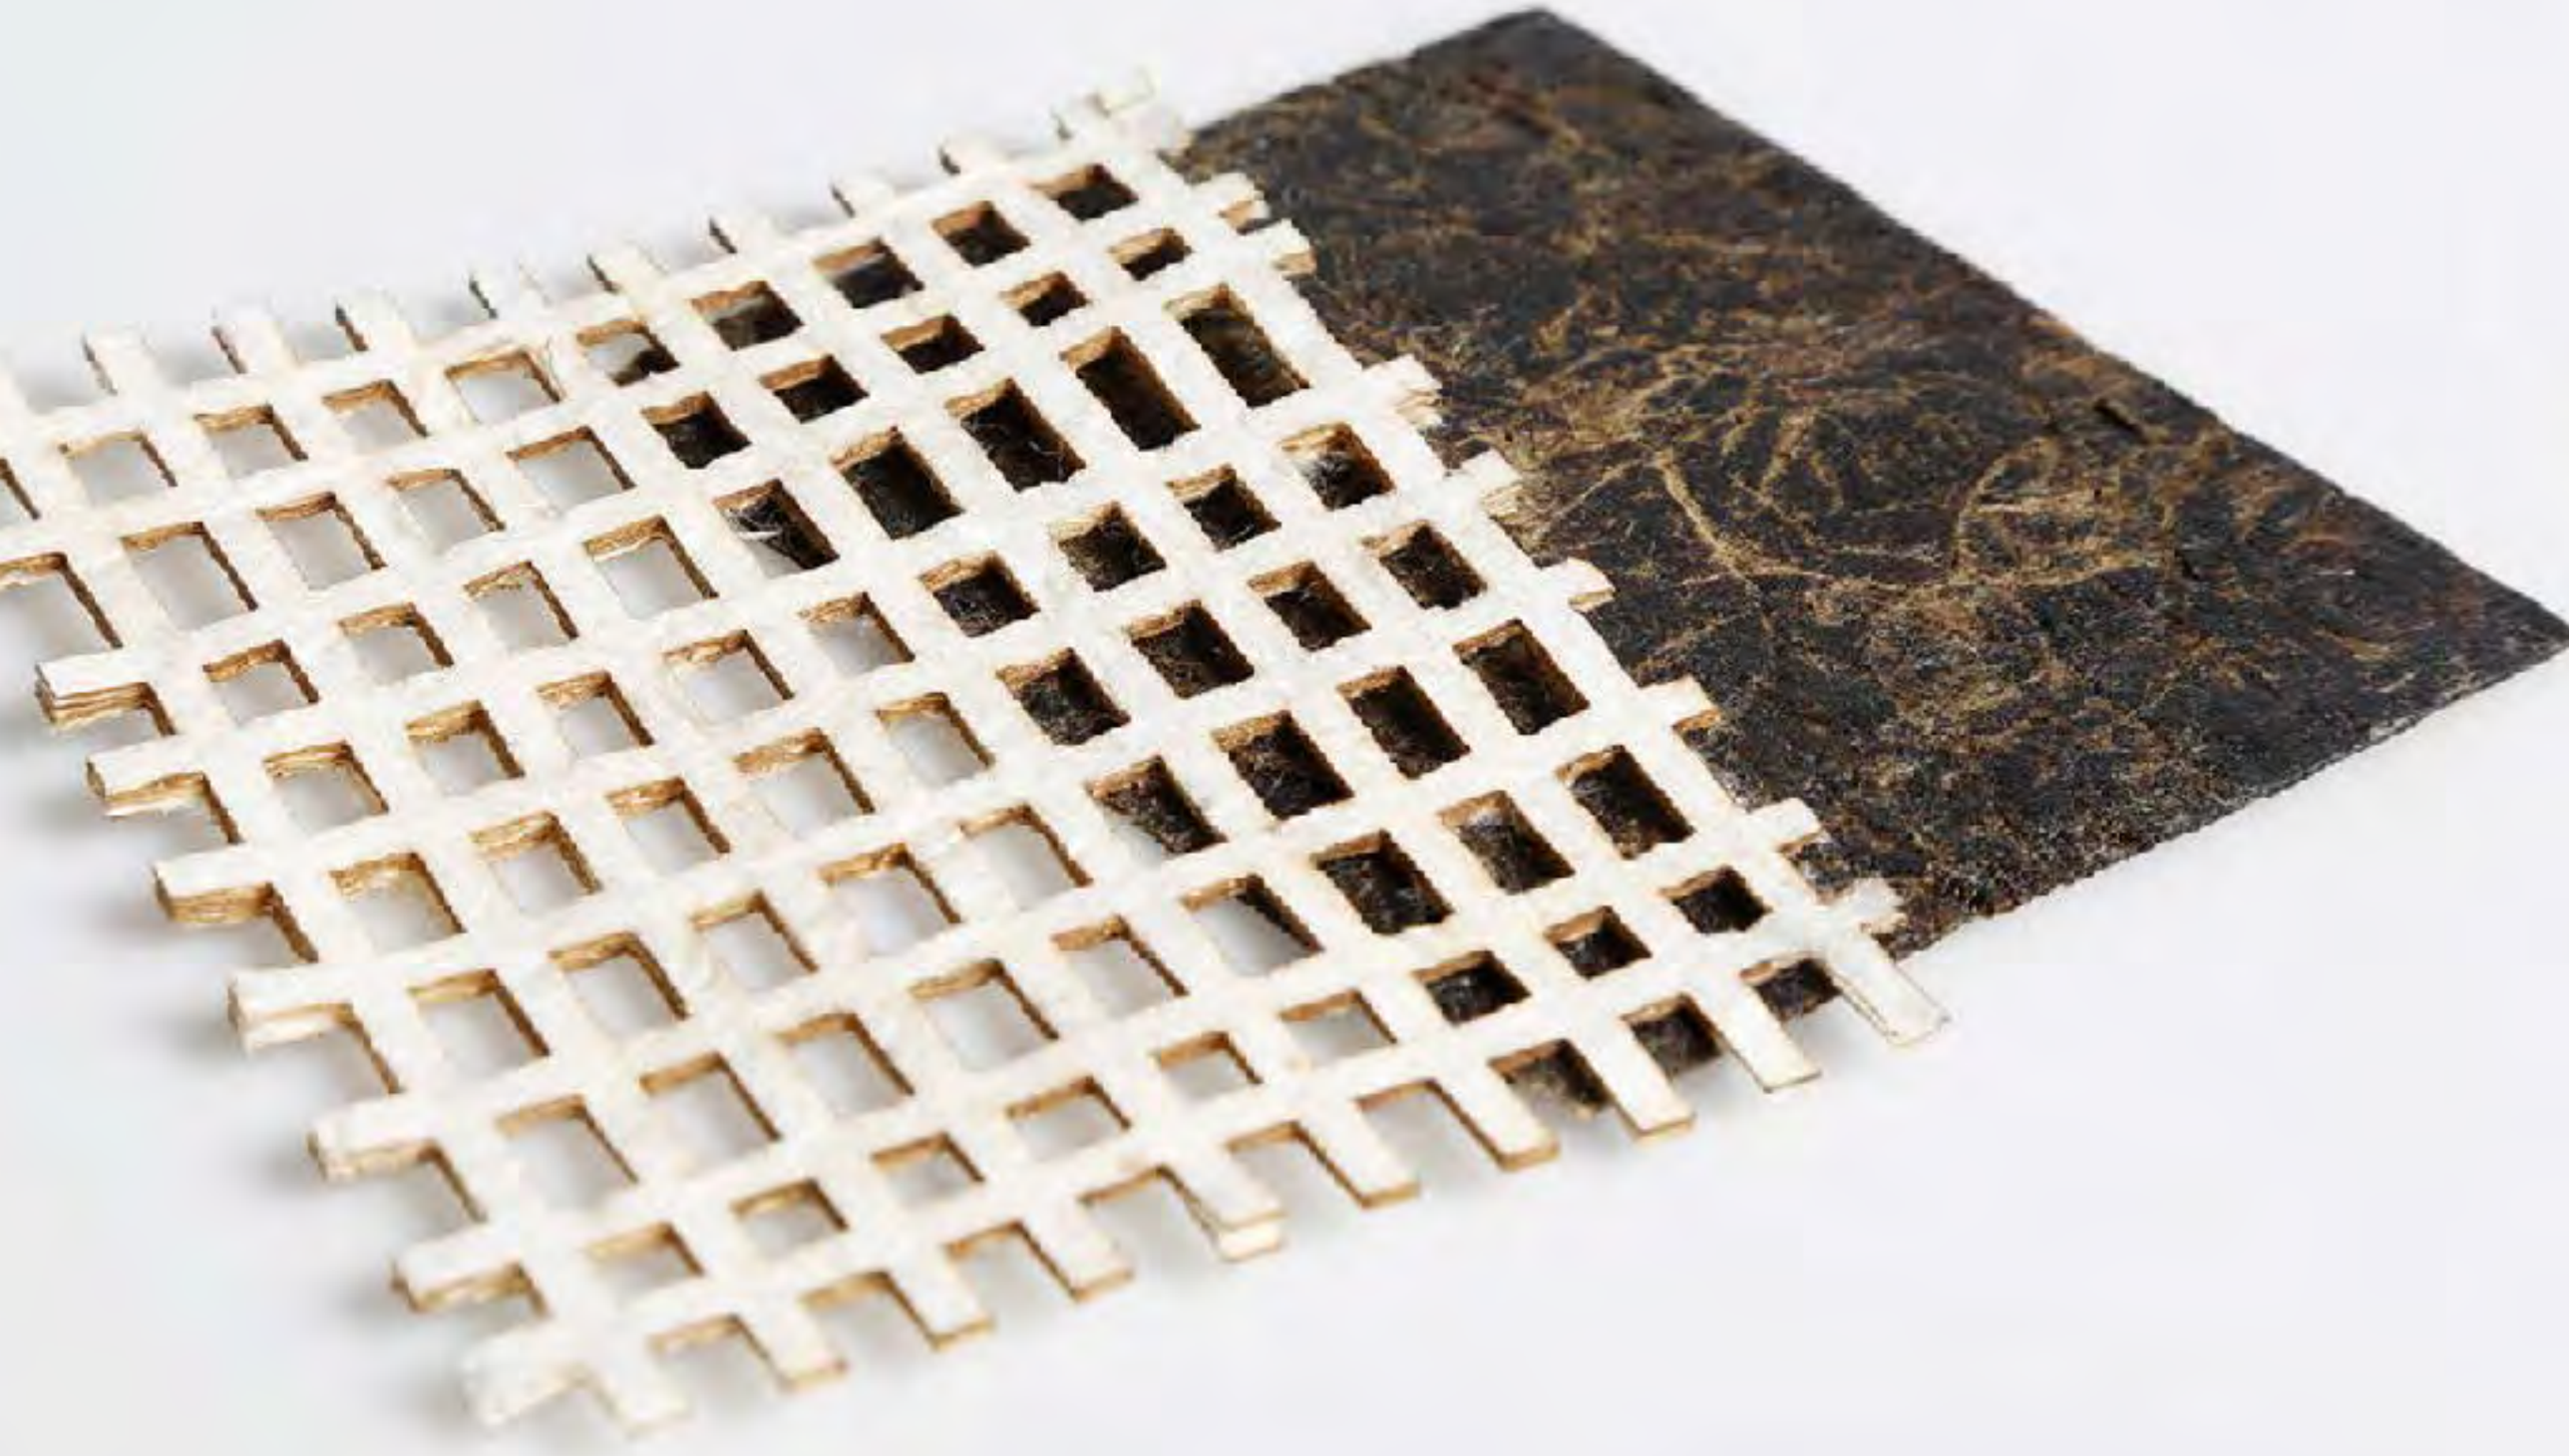
studio
marlene huissoud

Some people call
me an artist,
others a
designer,
and some a weirdo.

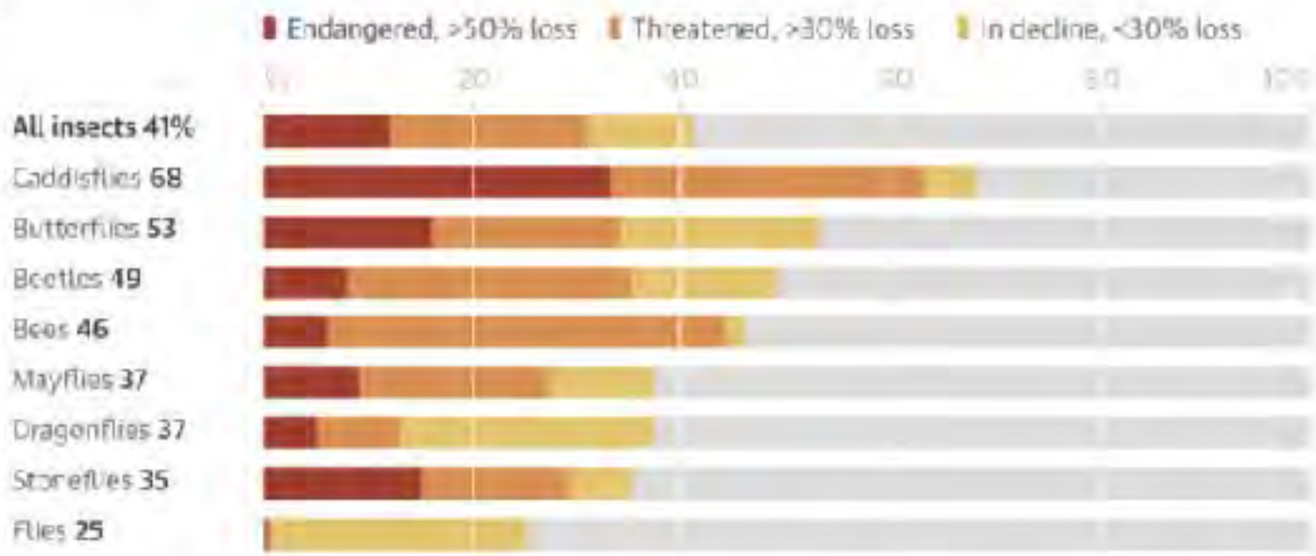
"The love for all living creatures is the most noble attribute of man."

Charles Darwin



Wallls: (from left to right)
West Bank Barrier: 780km Hadrian's Wall: 135km
Baia Mare: 60km
Trump Wall: 3218km
The Moroccan Wall of Western Sahara: 2700km

41% of global insect species have declined over the past decade ...



... compared with 22% of vertebrate species
